NAVY Review Completed REFERENCES 25X1

DATE OF INFO. 25X1

PLACE & DATE ACQ. 25X1

THIS IS UNEVALUATED INFORMATION

The Office of Naval Intelligence furnished the following information to
CIA for USIB dissemination

1. **Hsinkang,** 25X1
An area of land on the south side of the channel was being filled in. Also, the South channel up the river is now closed off in order to keep salt water from flooding the lowlands. In addition to the one lock at present in use, which has a capacity of passing a four thousand-ton ship, another lock is being constructed. 25X1
2. **radar and gun emplacements on Ta-chu-shan Tao (38°02'N - 120°56'E)** 25X1
and Ch'ang-shan Tao (37°58'N - 120°43'E). There is a signal lamp used for contacting ships on the northernmost tip of Ch'ang-shan Tao. The radar antenna appeared to be a flat sheet of metal about six feet by eight feet. 25X1
3. Ships are directed to sail down the middle of the Lao-t'ien-shan Shui-tao Channel between Po Hai and the Yellow Sea and to stay at least eight miles from the northern shore and Pei-ch'eng-huang Tao (38°24'N - 120°55'E) 25X1
on the south.

4.

Enclosure "A" - sketch of unusual small craft seen in numbers in
Hsinkang harbor.
